

Hydraulics Group

4400 Piedmont Parkway
PO Box 18508
Greensboro NC 27419-8508
336.856.6000

HYDRAULICS

EATON

> Fixed and Variable Displacement Piston Pumps & Motors / Hydrostatic Transmissions / Gear Pumps & Motors / Electronic Proportional Controls

VICKERS

> Fixed and Variable Displacement Piston Pumps & Motors / Vane Pumps & Motors, Pressure, Flow & Directional Valves / Proportional and Servo Valves / Screw-In and DIN Slip-in Cartridge Valves

CHAR-LYNN

> Low Speed - High Torque Motors / Power Steering Units / Steering Columns / Torque Generators

HYDRO-LINE

> NFPA Tie Rod Cylinders / Welded Cylinders / Mill Cylinders / System Cylinders

PARKER

> Industrial Tube Fittings & Adapters / Rubber, Thermoplastic & Teflon Hose & Fittings / Metric Connectors / Tube Fabricating Equipment / Colorflow Needle, Flow & Check Valves / Quick Disconnects / Brass Fittings & Adapters

POCLAIN HYDRAULICS

> (GA, NC, SC & TN only) Compact Low Speed, High Torque Radial Piston Motors / High Pressure Piston Pumps / Hydraulic Valves / Hydrostatic Transmissions / Electronics

SCHROEDER INDUSTRIES

> Pressure Filters / Charge Loop Filters / Return Line Filters / Suction Filters / Replacement Filters / Replacement Elements Particle Counters / Oil Test Services

KAWASAKI

> Low Speed - High Torque Motors / Axial Piston Pumps – Open and Closed Loop

PERMCO

> Gear Pumps / Gear Motors / Flow Dividers

HALDEX HYDRAULICS

> Gear Pumps / Gear Motors / AC & DC Power Units / Flow Dividers

WALVOIL

> Mobile Hydraulic Valves / Hydraulic Remote Controls

HAWE HYDRAULICS

> Axial & Radial Piston Pumps / Directional, Pressure & Flow Control Valves / Proportional Valves / Electronics

BUCHER HYDRAULICS

> Gear Pumps / Gear Motors / Mobile Valves / Electronics

HYDAC

> (WVA, VA, NC, SC, GA & TN only) Filters / Accumulators / Fluid Service Products / Valves / Clamps & Accessories Electronics & Sensors / Compact Hydraulics

ACCUMULATORS, INC.

> Accumulators

CROSS CUSTOM MANIFOLDS

> CETOP, Screw In Cartridge and Slip In Cartridge Valve Manifolds of Aluminum, Steel or Ductile Iron Custom Designed and Manufactured for Your Specific Application

CROSS CUSTOM HYDRAULIC POWER UNITS

> Hydraulic Power Units Custom Designed and Manufactured for Your Specific Application.

COMPLEMENTARY PRODUCTS

AUBURN GEAR

> Planetary Wheel Drives

THERMAL TRANSFER

> Mobile and Industrial Oil Coolers

IFM EFECTOR

> Position Sensors / Fluid Sensors & Diagnostics / Networking Controls

DEUBLIN

> Rotating Unions for Water, Steam, Air, Hydraulics, Vacuum, Coolants and Hot Oil Service

ifm efector

Fluid Power Focused > Customer Centered > Technology Inspired

Hydraulic Integrated Circuits

Steering Controls

Hydrostatic Drives

Industrial Cylinders

High Torque-Low Speed Motors

Gear Pumps & Motors

Radial & Axial Piston Pumps

Hydraulic Hose & Fluid Connectors

Hydraulic Fan Drives

Custom Hydraulic Power Units

Electronic Controls and Components
for Mobile Equipment
